Supervisor Jaeger approached the board about raising the amount of the budget line for the Parade Committee. The marching bands are now charging more than they ever did, and in order to still incorporate music into the parade they are going to need more money than they currently have in their budget. Councilman Maxon made a motion to raise the budget line to \$3,400. Councilman Feathers seconded the motion.

The board discussed the recent increases in local assessments in towns around Berlin. The town of Berlin needs a town-wide assessment so they will work with the assessor's office to discuss the process further.

One of Taconic Valley Rescue Squad's ambulances is back in service after being out for repair.

The board members tested bags for use at the transfer station. They were fairly impressed with their functionality. Councilman Maxon made a motion to purchase 2 skids of bags. Councilman Feathers seconded the motion.
